

# from TOM TILL “THEN & NOW”

*I made this image one morning before busloads of tourists descended on the location and as Navajo vendors readied their wares. At first, only a small stake in the desert marked the point where the corners meet; now the site has become a major tourist attraction.*

THE ZEPHYR is honored to present selected images from TOM TILL's remarkable book,  
“THEN & NOW.”

# MT. TIMPANOGOS & UTAH COUNTY

## THE FOUR CORNERS MONUMENT

(LEFT)  
1898  
& NOW

*This graphic contrast between past and present speaks for itself. Provo has left its slow-paced agricultural lifestyle behind. It is now Utah's second largest city and one of the fastest-growing urban areas in the country. Mount Timpanogos, preserved in the Mount Timpanogos Wilderness Area, looms above the hustle and bustle of the Utah Valley.*

The first issue of THE CANYON COUNTRY ZEPHYR went to press on March 14, 1989. It contained Ed Abbey's last original story.

We have a small cache of that first issue available for purchase.
