PORTRAITS

Herb took photographs of everything,
including the people he met along
the trail and down the road...

Here are a few of them.

Wes Moreland, manager of the Rhyolite Casino.

Two "Ladies of the Evening" at the Rhyolite Casino

PEGGY VERKAMP at the Grand Canyon, South Rim

SADIE RINGER, Herb's mother. 1950s

HERB RINGER came West from his home in New Jersey in 1939. Camera in hand, Herb captured the American West, from the Canadian Border to the Rio Grande and from the Big Sur coast to the High Plains.

We believe Herb's collection of Life in the West is one of the finest. His work has been published in The Zephyr for 20 years. I am pleased finally, to offer Herb's photographs in color. We are also building a new 'album' of his work, elsewhere on this site.

My dear friend died on December 11, 1998...JS
